### **Gary Moe of ID Integration Elected Chairman of UID Supplier Alliance Committee**

**Mukilteo, WA** – December 27, 2008 – At a meeting in Atlanta, GA, the members of the UID Supplier Alliance (USA) Committee elected Gary Moe, President of ID Integration, Inc., as its Chairman for the 2009 calendar year. He will lead the committee's efforts in furthering the adoption of UID and raising awareness of the value added by the Department of Defense Unique Identification (UID) requirements.

The USA Committee includes many of the leading providers of UID and other automatic identification and data capture (AIDC) solutions. Collectively these members have implemented hundreds of successful UID marking and data management systems, and have demonstrated how the systems benefit maintenance, inventory, production and traceability operations for the military and contractors alike.

Gary Moe, President of ID Integration, Inc. and Chairman of the UID Supplier Alliance

**About ID Integration**

Established in 1994, ID Integration (IDI) is a marking and identification systems integrator specializing in developing turnkey solutions for customers seeking compliance with the Department of Defense UID mandate. It has provided UID solutions to the US Army, Navy and Air Force as well as to a wide range of Department of Defense suppliers. As the "One Stop UID Shop" it can provide everything from a single UID label to a fully equipped and staffed marking trailer. Headquartered in Mukilteo, WA, USA, IDI has operations in Georgia, Alabama, Kentucky and Alaska. Further information is available at [www.id-integration.com](http://www.id-integration.com) and [www.uid2go.com](http://www.uid2go.com).
